LESSONS EVERY WEEK

Not a camp with a few classes on the side. A real course, with the fun built around it.

Certified teachers and a communicative curriculum made for young learners. Mornings are general English or French around the day's theme; afternoons are team projects that campers present after class. Classes are at BLI Montréal (Old Montréal) or BLI Québec City for Québec homestays. Small classes, Monday to Friday, with a BLI certificate.

PARENTS ASK

Before they pack.

Is the city safe?

Residence campers are supervised 24/7 by BLI leaders. Homestay campers travel on their own between home and class, and can call BLI staff anytime about anything that worries them.

Can my child explore on their own?

Only with permission: campers ask their leader for the authorization form and may leave for a few hours.

How do they get to school?

Host families explain the transit route, and campers can travel with their roommate. Residence campers always travel with leaders.

What if they get lost?

Call or text BLI's 24/7 emergency line and a leader comes to find them.

What should they pack?

Real winter clothes: a warm coat, winter boots, a hat, gloves and layers. A swimsuit too, for the residence pool.

WINTER AT FLAP

Real campers, real snow.
